HEAVY DUTY STARTER

PowerEdge™ 39PE Gear Reduction Starter

Performance. Quality. Competitively Priced.

A commercial truck is the ultimate work tool. Its role is to perform a task, be productive and in the end, help companies make a profit. For that to all happen, first it has to start! That's where the PowerEdge™ 39PE starter gives you the edge. PowerEdge starters benefit from over 70 years of engineering and manufacturing experience supplying auto and truck makers with electrical components. So, the next time you need a new starter, choose the PowerEdge 39PE – it's the right choice.

- Competitively priced and more durable compared with other brands.
- Rugged design and powerful performance.
- Every unit tested to meet factory-original performance.
- Over Crank Protection (OCP) constantly monitors the internal temperature and prevents thermal damage to the starter.
- Integral Magnetic Switch (IMS) reduces voltage drop and ensures the solenoid receives maximum voltage under all starting conditions.
- 100 percent new units. Not rebuilt. No core charge.

3 Year Warranty

PERFORMANCE

39PE 12V Power Curve
